

Dining & Cafeteria

Golden Sunbeam cafeteria services is one of the best and unique services provided to students by schools in Ghana. Boarding and non-boarding students have access to cafeteria services which prides itself in providing healthy and well balanced meals for the entire Golden Sunbeam family. By providing a balanced diet to students and children, we have discovered that students are better focused in class which affect the quality of their school work.

The menu at the cafeteria includes traditional Ghanaian dishes with occasional cuisines from different ethnicity's in Western Africa to reflect the diversity in our student body. Cost of cafeteria meals are very affordable. Please contact the administration office for further details.
